

Volunteer Driver

We would like volunteer drivers to move the Shelter equipment using our van.

Could you spare 45 minutes on 1 day a week?

This role would include: packing the shelter into the van, transporting it to a street parking space and dropping off the Venue Folder to the Rainbow Centre (through the letterbox).

Shift times would be 7.30am – 8.15am

All you would need is a full current driving licence; we will take care of everything else.

Contact us on 01303 210559 or info@wintershelter.org.uk or download a form on the volunteer page of the website.
